Hourglass

The shape of the lamp head is like an hourglass. A small life full of exquisiteness needs a little more warm light embellishment. If you replace it with your favorite chandelier and let it change, the space will still be so warm here.

Mist

It is a timeless centerpiece capable of filling and lighting rooms. The shape in design brings big volumes but still feels light and floaty. Offering a warm and a cosy light, looks elegant and wild.

The glass is decorated with sparkling glitter, from inside to outside of shining acrylic, like the clouds is illuminated with silver edge in the sky. The series contains single pedant, wall lamp, and straight & round chandeliers to meet the decorative lighting needs of different scenes.

Torch

A luminous acrylic crystal column runs through the entire lamp, and the huge acrylic cover the light together, like the torches to warm the cold years and bring people the courage and strength to move forward.

The clear acrylic shades offer a warm and cosy lighting with a very subtle faded effect. The acrylic tube inside, brings structure and character to the design.

Marble

The use of natural marble, clear texture cracks, natural random, multi-process grinding, light transmission soft, you can not even find two pieces of the same texture of marble, which is also its unique charm.

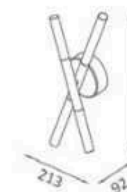

51208W 65*H600mm 7W
51209W 65*H800mm 9W
51430W 65*H1000mm 11W

- SMD2835 CRI≥90
- Dark Gray

Glitter

Glittering and shining is not only the lamp, but also the pursuit of clever mind of life, soft and natural, bright and solemn let the home and light luxury beautiful connection, fully show the fashion life taste. The light is bright and crystal bubbles are like starlight in the sky.
